WHAT'S HAPPENING IN THE PARK?

1. If you are thinking of celebrating a special event at the park, don't forget that the camp kitchen is available for hire. If you let us know the date you wish to book, it would be for your exclusive use on the day. You just need to give us as much notice as possible.
2. We have updated the fuel station in the last few months & are now being supplied by Liberty Fuels & our prices are very competitive to the prices in town. As there is minimal money to be made in fuel, we are hoping our Lodge owners customers will support us.
3. There will be a duo singing in the camp kitchen on New Year's Eve, more details later about times.
4. Just on a serious note, the park is starting to busy & we need to remind all riders of bikes, scooters & skateboards are not to be ridden in the park after the lights come on. Also helmets are to be worn riding bikes around the park. This is a park rule for the safety of all people in the park, visitors & Lodges.
5. The swimming pool & jumping pillow (which has now been up for over a year) have rules that must be followed to avoid accidents, for your children & other users of the park.
6. Could the fire bins be kept off the grass at the Lodges & be placed on the edge of the road. Kev puts a lot of effort into keeping the grounds of the park looking good. Please also remove any leftover timber to may have by taking it home or storing it tiredly at your Lodge.
7. Update on the shop. We are now using Byron Bay Coffee for our coffees, selling Schultes award winning Wursts & Beer sticks & ski gear (ropes & repair kits). We still have the best hot chips, dim sims, pies & sausage rolls in Grafton
8. We have taken back the selling of the Lodges in the park. We have a new sign coming that will let interested clients know to call at the office & speak to Kris & have Kev show them through Lodges they are interested in. With the summer holidays upon us this should see the sales happening. We still will not be having 4 sale signs on Lodges.
9. It's been a great year with lots of Lodges owners visiting & spending time here enjoying each other's company & the beautiful river. As it is now our 2nd Xmas with you all, we would like to thank you all for making this year very enjoyable & we look forward to seeing everyone at Xmas or the New Year. Stay safe & enjoy spending time with your loved ones. Kev & Kris
